Who cares? We do!

At Let's Knit we understand that nothing is more annoying than errors in knitting patterns. As part of our total commitment to ensuring that your experience of our magazine is as enjoyable as possible, we're proud to offer THE LET'S KNIT PATTERN PROMISE:

* Exclusive patterns featured in Let's Knit have been professionally checked and reproduced with the utmost care. Updates can be found at www.letsknit.co.uk

* Should you encounter any problems we are more than

happy to provide support and assistance. Contact us and we will endeavour to respond as soon as possible. By email: support@letsknit.co.uk, by telephone: 01206 508622 (office hours only) or by post at the address on page 3 (please mark your envelope 'Support'). (Please note we cannot offer assistance with patterns not published in Let's Knit)

Autumn

Tina Barrett's moss stitch jacket is a beautiful shade of pistachio green

Our Autumn jacket by Tina Barrett is knitted in moss stitch, giving it a fabulous texture. Small details such as belts around the cuffs, a flared peplum at the waist and a smart collar make it really special and because it's made in 100% merino, it's perfect for outerwear at this time of year.

exclusive
TO BAR'S KNIT!

START HERE

Back bodice

Using 5mm needles cast on 65 (75, 85, 95) sts

Work in moss st throughout

□ Inc one st at each end of every sixth row to 81 (91, 101, 111) sts

□ Cont without shaping until Back meas 23 (23, 22, 22) cm

SHAPE ARMHOLES

□ Cast off five sts at beg of next two rows, 71 (81, 91, 101) sts

□ Dec one st at each end of next and foll alt row, 67 (77, 87, 97) sts

□ Cont without shaping until Bodice meas 42cm

SHAPE SHOULDERS

□ Cast off 5 (7, 8, 10) sts at beg of next two rows

□ Cast off 5 (7, 8, 10) sts at beg of next row, work in patt until there are 5 (6, 8, 9) sts on RH needle, turn, cast off these 5 (6, 8, 9) sts

□ Cast off centre 37 (37, 39, 39) sts
Rejoin yarn to second shoulder
□ Patt to end, rep shapings to match first side

LK SAYS...

"This jacket is tailored to flatter all sizes. Using a circular needle for the peplum might make it easier to handle the increases and distribute the weight of the knitting better"

LK DESIGNER TINA BARRETT

Moss stitch or seed stitch is an easy way to add texture and create a firm fabric

Knit WISE

Moss stitch

Moss stitch (sometimes known as 'seed stitch') is created by knitting one stitch and purling the next. On the second row you reverse the order to create a bumpy, textured fabric. It is great for accessories and bags as it is firm and reversible.

Left front bodice

- Using 5mm needles cast on 45 (55, 65, 75) sts
- Work in moss st throughout
- Inc one st at end of every sixth row to 53 (63, 73, 83) sts
- Cont without shaping until Front meas 23 (23, 22, 22) cm ending with a WS row

SHAPE ARMHOLE

- Cast off five sts at beg of next row, moss st to end 48 (58, 68, 78) sts
- Dec one st at beg of every foll alt row to 44 (54, 64, 74) sts
- Cont without shaping for a further 4cm ending with a RS row

SHAPE NECK

- Cast off 20 sts at beg of next row, moss st to end 24 (34, 44, 54) sts
- Dec one st at neck edge on next and every foll row to 15 (20, 24, 29) sts
- Cont without shaping until Front bodice meas 42cm ending with a WS row

SHAPE SHOULDER

- Cast off 5 (7, 8, 10) sts at beg of next row, moss st to end
- Work one row with no shaping
- Cast off 5 (7, 8, 10) sts at beg of next row, moss st to end 5 (6, 8, 9) sts
- Cast off rem 5 (6, 8, 9) sts

Right front bodice

- Work as for Left front bodice reversing all shapings

Sleeves

- Using 5mm needles cast on 49 (51, 53, 55) sts

Textured moss stitch jacket

Garment pattern

- Working in moss st inc one st at each end of every 12th row to 63 (65, 67, 69) sts
- Work without shaping until Sleeve meas 46cm

SHAPE ARMHOLES

- Cast off five sts at beg of next two rows. 53 (55, 57, 59) sts
- Dec one st at each end of next ten rows. 33 (35, 37, 39) sts
- Dec one st at each end of every foll alt row to 19 (19, 21, 21) sts
- Cast off

Sleeve belt (make 2)

Using 5mm needles cast on nine sts in moss st

- Work in moss st for 38cm
- Cast off

To make up

Darn in loose yarn ends. Sew shoulder seams. Join side seams of bodice

Peplum

- Using 5mm circular needles and with RS facing pick up and k 45 (55, 65, 75) sts along lower edge of left front bodice, 65 (75, 85, 95) sts across lower edge of back bodice, 45 (55, 65, 75) sts along lower edge of right front bodice. 155 (185, 215, 245) sts
- Work two rows in moss st inc for Peplum as folls
- Row 1: patt two sts, m1, kfb, [patt 14 (17, 20, 23), m1, kfb], rep ten times, patt two sts 177 (207, 237, 267) sts
- Work three rows in moss st
- Row 5: patt three sts, m1, kfb, [patt 16 (19, 22, 25), m1, kfb], rep ten times, patt three sts 199 (229, 259, 289) sts
- Work three rows in moss st
- Row 9: patt four sts, m1, kfb, [patt 18 (21, 24, 27) sts,

- m1, kfb], rep ten times, patt four sts 221 (251, 281, 311) sts
- Work three rows in moss st
- Row 13: kfb, m1, [patt 21 (24, 27, 30) sts, m1, kfb], rep to end of row 243 (273, 303, 333) sts
- Work without shaping in moss st until Peplum meas 15cm from waist
- Cast off in patt

COLLAR

Using 5mm needles and with RS facing pick up and k 20 sts up shaped right front neck edge, 41 (41, 43, 43) sts around back of neck and 20 sts down shaped left front neck edge. 81 (81, 83, 83) sts

- Row 1 (WS): moss st five, p to last five sts, moss st five
- Row 2 (RS): moss st five, k to last five sts, moss st five

Reverse for collar fold-back as folls:

- Row 3: rep Row 2
 - Row 4: rep Row 1
 - Rep last two rows until Collar meas 7cm ending on a Row 1
 - Work four rows in moss st
 - Cast off in patt
- Darn in loose yarn ends. Sew side seams of sleeves, pin into armhole and sew. Pin cuff belt around lower sleeve edge approx 2.5cm from cast on edge, making sure overlap faces towards elbow side of sleeve. Place a button on top of overlap and stitch in place through all layers. Run a few small sts around belt edge at inside sleeve seam edge to secure. Rep for second sleeve. Fold fronts over each other. Pin and mark position of buttons. Sew buttons in place on right front. Sew a popper to underside of top two buttons and one on the last button at waist level. Stitch corresponding parts of popper to the opposite side of jacket. **LK**

LK SAYS...

"Knits like this are ones that you can treasure and use time and time again. We guarantee compliments every time you wear it!"

4mm needles

Need an alternative yarn?

Sirdar Calico DK comprises 60% cotton and 40% acrylic and comes in similar shades 732 Miami and 730 Panama Pink, as well as a range of other options. It can be machine washed at 40°C. Because of its generous metrage, you'll need one fewer ball for all sizes.

FOR ABBREVIATIONS SEE PAGE 86

Estelle

If soft pink and pretty lace detailing is your thing, you'll love this top by **Pat Menchini**

Estelle by Pat Menchini is designed to be flattering for a wide range of sizes. The rib section is stretchy and supportive whilst the feminine lace section around the waist draws the eye to the narrowest part of your body, creating a beautiful hourglass shape. It's knitted in a blend of recycled cotton and acrylic and is both soft and great at keeping you cool.

KEEP KNITTING ON P18

KnitWISE

Picking up stitches

When picking up and knitting stitches around a neck or other part of a garment, place your work RS facing. Put the tip of your needle into the space between the edge stitch and the next stitch. Loop the yarn around the needle, making sure the

loop is at least 15cm from the cut end so that you can sew the tail in later. Bring the needle and the yarn looped round it through the space to the front of the work. Continue these steps until the required number of stitches have been picked up and knitted.

LK SAYS...

"The chevron lace section on our Estelle pattern is really pretty and is easier than it looks, it just uses yfwd, skpo and k2tog"

LK DEPUTY EDITOR ADRIENNE CHANDLER

end of next row, then on every foll 12th (10th, 8th, 8th, 6th, 6th, 6th) row until there are 67 (69, 73, 75, 79, 81, 91) sts, then on every foll 12th (10th, 8th, 8th, 8th, 8th, 8th) row until there are 73 (77, 83, 87, 91, 93, 97) sts

□ Cont straight until Sleeve meas 32 (32, 33, 33, 34, 34, 34) cm at centre, ending after a p row

SHAPE RAGLAN

□ Rows 1-2: work as for Back

□ Row 3: k1, skpo, k to last three sts, k2tog, k1

□ Row 4: p1, p2tog, p to last three sts, p2tog, p1

□ Rep last two rows 0 (0, 1, 2, 2, 1, 0) times 65 (67, 69, 67, 71, 75, 81) sts

□ Next row: rep Row 3

□ Work five rows in rib as on Sleeves

□ Cast off loosely in rib

To make up

Join raglan seam and neckband. Join side and sleeve seams **LK**

Picking up stitches on a neckline

1 With the right side facing you, insert the tip of the needle into the work at the first stitch. Move the needle from the front to the back of the work between the first and second stitches of the first row. Wrap the yarn around the tip of the needle and draw it through the knitting to form a new stitch. Where the neckline curves push the needle into the centre of stitches that lie below the shaping to ensure even spacing of stitches. Repeat this until you have picked up the desired number of stitches.

Knit Knowledge

About the Yarn

Wendy Merino Chunky is a soft and warm yarn that is made from pure Australian merino. This breed of sheep is considered to have one of the finest fleeces in the world so it's perfect for knitting. This particular yarn has been treated to make it machine washable so it's very practical. There are eight shades to choose from.

Chloe

Layer up with this short-sleeved cardy from **Wendy**

It's a proven fact that wearing lots of layers keeps you warmer than one huge cover-up which is why we love this short-sleeved cardigan from Wendy. It looks great over a plain long-sleeved tee and you won't overheat if the weather has a change of heart. Cable detailing is an age-old favourite on chunky garments but here it's subtly incorporated into the collar, cuffs and opening edge.

KnitWISE

What are raglan sleeves?

There are many different sleeve shapes and they are each constructed and assembled in different ways. Raglan sleeves are easily recognisable as they shape almost into a point at the top, creating a diagonal seam running from the underarm to the collar. As they're highly visible on the front of your garment, you need to make sure you have a neat seam. We recommend mattress stitch, see how to do this on page 89.

with cable edge

- Rep last four rows once more

Change to 6.5mm needles

- Cont in st st keeping five cable sts at opening edge as set **AT THE SAME TIME** dec one st at end of third and every foll eighth row until 41 (43, 45, 47, 49, 51) sts rem
- Cont without shaping until Right front matches Back to start of raglan armhole shaping, ending with a WS row

SHAPE RAGLAN ARMHOLE

Change to 6mm needles and garter st keeping cable correct

- K one row
- Cast off three sts at beg of next row 38 (40, 42, 44, 46, 48) sts
- Next row: k to end, dec one st at raglan armhole edge
- Work three rows 37 (39, 41, 43, 45, 47) sts
- Next row (RS) k4, cast off two sts, k to last two sts, k2tog
- Dec one st at raglan armhole edge of fourth and foll 3 (4, 4, 4, 3, 2) fourth rows, then on foll 0 (0, 1, 1, 4, 7) alt rows **AT THE SAME TIME** cast on two sts over cast off gap on next row to complete buttonhole 32 (33, 34, 36, 36, 36) sts
- Work 3 (1, 1, 1, 1, 1) rows, ending with a WS row
- Next row (RS) k4, cast off two sts, k to last 2 (0, 2, 2, 2, 2) sts, k2tog 1 (0, 1, 1, 1, 1) times
- Dec one st at raglan armhole edge of 4th (2nd, 2nd, 2nd, 2nd, 2nd) row and foll 1 (2, 2, 2, 2, 2) alt rows, ending with a RS row 29 (30, 30, 32, 32, 32) sts

CI KnitStar

A beautiful selection of knitting needles & accessories

Double Pointed, Fixed Circular, Straight Needles, Crochet Hooks, many more Accessories!!!!

From the house of Camry International

● Royal Wood Needles are made from Sheesham Wood which is part of Rosewood family. Sheesham Wood is a light, strong and durable wood that makes it ideal for knitting needles.

● Bamboo Needles are very light and flexible thus comfortable to hold. They become even more smooth while knitting regularly with them.

● Desire Metal Needles are made from Aluminium which is highly versatile in nature and considered the most environment-friendly metal as it is endlessly recyclable

Visit www.knitstar.eu or write to sales@knitstar.eu for any further information on 'CI KnitStar' products

Sinead

Protect against the autumn chills with **Sian Brown's** denim jacket

If you love pure wool, you'll love this little jacket! It's knitted in yarn from Corriedale sheep from the Falkland Islands, which is warm and cosy. Natural fibres are great insulators so are perfect for jackets, while the shorter design of Sinead makes it well-suited to autumn days. Sian Brown has opted for textured cables and moss stitch effects which combine well with the traditional denim jacket-style buttons, pockets and collar.

Need an alternative yarn?

If you have sensitive skin or are allergic to the lanolin in wool, try using a baby yarn. Most of these are synthetic for practicality and are also extra soft. **Patons Fairytale** is a mix of 60% acrylic and 40% nylon and can be machine washed and tumble dried. Shade 6375 Sky is a good match for Sinead.

- This row sets moss st
- Work 3cm in moss st
- Dec one st at each end of next 7 (7, 8, 8, 9, 9, 10) foll alt rows
- Five sts
- Cast off

To make up

Sew cast-on section of collar to back neck, easing to fit. Join side and sleeve seams. Sew in sleeves. Sew on buttons. Sew on pocket flaps, fasten with buttons. **LK**

Sinead, £88.99, TK Maxx; skirt, £45, Marks & Spencer

Knit WISE

Making a buttonhole

There are several ways of making a buttonhole. The cast-off method is used in our Sage cardigan on page 31. Sinead, however, uses the eyelet method. This is only suitable for

small buttons as the hole created is quite tight. When you reach the position for the buttonhole, work "ym, p2tog." Doing this makes a deliberate hole or eyelet, as in lace patterns, which can then be used as a buttonhole.

Knit Knowledge

About the Yarn

Rowan Cocoon is a wonderfully warm blend of 80% merino wool and 20% kid mohair. It is soft to the touch and has a gentle fluffy halo. As it is made from purely natural fibres it should be washed by hand to avoid risk of felting. Choose from 18 colourways including bright and natural shades.

Need an alternative yarn?

For an even more textured finish, try knitting this scarf in a tweed yarn. Debbie Bliss Luxury Tweed Chunky is a gorgeous wool yarn featuring 10% angora for added softness. There are 22 shades available, why not opt for a bright pink or orange as an alternative to the given colourway? Please note, you may need to try different needle sizes to achieve a similar tension.

Kiri

Whip up **Sarah Hazell's** chunky cabled scarf in a weekend and say goodbye to Autumn chills!

You can never have too many scarves and this warm, chunky number is perfect protection against the cold. Accessories are great for this time of year as they keep you snug but can still be worn with a lighter jacket. Our Kiri scarf is knitted in a sumptuously soft wool and mohair blend and features a lacy cabled motif.

Kiri features three chunky cables running along its length with a lovely lace pattern in between.

Rowan Cocoon costs £8.50 per 100g (115m) ball from Laughing Hens, 01829 740903, www.laughinghens.com

LK SAYS...

"Kiri is ideal for getting to grips with the basics of lace and cabling and you get lots of practice as the pattern is repeated along the length of the scarf"

LK DEPUTY EDITOR ADRIENNE CHANDLER

Casting off in pattern

To ensure a neat finish, try to keep your cast off edge in the same stitch pattern as used in your project. For example, if working in k2, p2 rib, replicate this when casting off.

1 K two sts as normal. Use the tip of your LH needle to lift the first st worked over the second and off the end of the RH needle. This is called casting off kwise. You now have one st on your RH needle.

2 With yarn in front p the next st. * take the yarn back between the needles and use the tip of the LH needle to lift the first st worked over the second and off the end of the RH needle as before. P the next st and rep from *. Cont in this way, maintaining the k2, p2 rib patt.

KnitWISE

Explaining cables

Cabling is a classic knitting technique that is all to do with swapping the order in which a group of stitches is worked. Slip the required number of stitches onto a cable needle (cn), knit the next stitches on the LH needle, then knit the stitches from the cn. This creates a twist.

The direction of the twist depends on whether you hold the cn at the front or back of the work. You will find that there are straight and kinked needles available. If you're new to this technique, opt for a kinked needle to help prevent the stitches sliding off the end.

Sage

Sian Brown's elegant cardigan makes a great first lace garment

Lace patterns don't just have to be knitted in fine yarns. This gorgeous cardigan is made from a DK-weight baby alpaca yarn and shows off the pattern to great effect. The pattern itself has sizeable stocking stitch sections between the eyelets, which makes it an ideal project for newbies to knitted lace.

Great first
lace cardy

Knit WISE

Shaping lace garments

This cardigan has an all-over lace pattern which looks great but can make things tricky when it comes to shaping. Lace patterns are worked in couplets of increases and decreases. This creates the eyelets without affecting the stitch count. When you are shaping you need to pay close attention to these pairs. Do not work an increase if there is no corresponding decrease, and vice versa. For example, on the armholes you are asked to cast off eight stitches. If this includes half of an eyelet couplet, do not work the lone increase or decrease. Instead, work in stocking stitch until you reach a complete pair.

Right mitten

Using 4mm needles and yarn A cast on 46 sts
Working in corrugated rib and stranding all yarns on WS work six rows as folls, noting that letter following instruction denotes which yarn to use:

- Row 1 (RS): (k1A, p1B), rep to end
- Row 2 (WS): (k1B, p1A), rep to end
- Row 3 (RS): (k1A, p1C), rep to end
- Row 4 (WS): (k1C, p1A), rep to end
- Row 5 (RS): (k1A, p1D), rep to end
- Row 6 (WS): (k1D, p1A), rep to end
- Work from Main chart (overleaf), starting on Row 1 and working sts between outer blue lines only throughout (Chart sts 2-47) until end of Row 18

SHAPE THUMB GUSSET

- Row 19 (RS): work 24 sts from Row 19 of Main chart to blue rectangle (chart sts 2-25), pm, working from Row 1 of Right hand thumb chart m1L, k2, m1R, pm, work rem 20 sts after blue rectangle (chart sts 28-47) from Main chart 48 sts
- Cont in this way, working sts from Main chart to first marker, then sts between markers from Right hand thumb chart and rem sts from Main chart, omitting sts within blue rectangle, until end of Main chart Row 32. 60 sts

DIVIDE FOR THUMB

- Row 33 (RS): work 24 sts from Main chart to marker (chart sts 2-25), work m1L,

k1B, m1R from Row 15 of Right hand thumb chart (overleaf), slip next 20 sts to holder (these sts will form palm of mitten), turn

- Using yarn D cast on two sts using cable method (see Knit wise panel), p20 (including two sts just cast on), sl next 24 sts to holder (these sts will form back of mitten), turn, cast on two sts

using cable method. Do not turn work

- Work Rows 17-23 of Right hand thumb chart on rem 22 sts
- Using yarn B cast off all thumb sts twice
- Sew in all yarn ends from thumb, join thumb seam
- With RS facing, rejoin yarn D to 20 sts for palm left on holder, k across sts, turn,

Knit WISE

Reading the charts

All the charts in this pattern (overleaf) begin with a RS row. Read each chart from right to left on RS rows and left to right on WS rows. When working from the main chart, work between the outer blue lines for the right mitten and the outer green lines for the left mitten as directed. This will ensure that the mittens are a mirror image of each other. The blue rectangle in the centre of the main chart shows the placement of the thumb on the right mitten and the green rectangle shows the placement of the thumb on the left mitten.

Knit WISE

Cable cast on

To work a cable cast on follow these steps:

- Make a slip knot on LH needle
- Insert RH needle into slip knot and wrap yarn around needle as if to k a st
- Pull yarn through loosely and place new st on LH needle
- * Insert RH needle between two sts on LH needle and pull gently on yarn to tighten st
- Wrap yarn round needle as if to k a st, pull yarn through and place new st on LH needle
- Rep from * until required number of sts are cast on

Take care not to over-tighten the stitches as this will make the cast on edge too tight. As a guide, you should be able to insert the needle between the two stitches easily when casting the next one on.

p20, pick up two sts from cast on sts at base of thumb, p across 24 sts from holder for back of mitten 46 sts

□ Cont working Rows 35-42 from Main chart, working sts between outer blue lines only throughout (chart sts 2-47) Working in corrugated rib and stranding all yarns on WS work six rows as folls.

Cerese

Celebrate autumn with **Nancy Atkinson's**
berry nice embellishment

With its pink berries and green leaves, this garland is a simple yet highly effective way of customising a basket and making it perfect for the season. As Cerese is made up of lots of small elements, it's a great project for popping in your knitting bag when you're out and about. It isn't just for embellishing baskets though, feel free to make the garland as long as you like and use it as a decoration around the home. It would make lovely bunting for a baby's room or an outdoor garden party.

About the Yarn

Soft and easy to knit with, Debbie Bliss Ecobaby is made from 100% organic cotton. It is produced through the Bio Re textile chain, which supports cotton farmers and their families. The water used to dye the yarn is later processed and recycled to make it drinkable. Choose from 24 colourways, including alternative greens and berry shades.

Measurements & Sizes

Garland length: 80cm

Large leaf: 10cm long

Small leaf: 8cm long

Large berry: 3cm diameter

Small berry: 2cm diameter

Knit Kit

Yarn: Debbie Bliss Ecobaby, (A) shade 07 Green, one 50g ball, (B) shade 11 Pale Pink, (C) shade 12 Pink, (D) shade 13 Coral, oddments of each

Needles: 3.25mm, straight; 3.25mm double-pointed, two

Darning needle

Basket with handle

Toy stuffing

TENSION

Tension is not essential on this project

Need an alternative yarn?

As you only require one 50g ball plus oddments of three of the shades, why not raid your stash? As tension is not essential for this project, any DK or 4ply yarn would be suitable, just remember to adjust your needle size accordingly.

Large leaves (MAKE TEN)

Using yarn A, cast on two sts. Leave a tail of yarn for sewing up

- P one row
- Row 1 (RS): kfb in each st to end. Four sts
- Row 2: k1, p2, k1
- Row 3: kfb, k to last st, kfb. Six sts
- Row 4: k2, p2, k2
- Row 5: as Row 3. Eight sts
- Row 6: k3, p2, k3
- Row 7: as Row 3. Ten sts
- Row 8: k4, p2, k4
- Row 9: as Row 3. Twelve sts
- Row 10: k5, p2, k5
- Row 11: k to end
- Rep Rows 10 and 11 five more times
- Row 22: k5, p2, k5
- Row 23: k2tog. k to last two sts, k2tog. Ten sts
- Row 24: k4, p2, k4
- Row 25: as Row 23. Eight sts
- Row 26: k3, p2, k3
- Row 27: as Row 23. Six sts
- Row 28: k2, p2, k2
- Row 29: as Row 23. Four sts
- Row 30: k1, p2, k1
- Row 31: k2tog to end

- Row 32: p2
- Cast off
- At one end, weave in tail along spine of leaf

Small leaves (MAKE FOUR)

Using yarn A, cast on two sts. Leave a tail of yarn for sewing up

- P one row
- Rows 1-7: work as for Large leaves
- Row 8: k4, p2, k4

- Row 9: k to end
- Rep Rows 8 and 9 three more times
- Row 16-24: work as Rows 24-32 for Large leaves
- Cast off
- At one end, weave in tail along spine of leaf

Large berry (MAKE FOUR)

Using either yarn B, C or D cast on five sts

- P one row

Knit WISE

Knitting i-cord

The garland is actually just a length of i-cord, which is a narrow tube of knitted fabric similar to that created by a French knitter or knitting dolly. It is usually knitted on two dpns. Cast five stitches onto one dpn and knit the first row. * Do not turn, instead slide the stitches to the opposite end of the needle and, pulling the yarn tightly across the back of the work, use the second dpn to knit. Rep from * until your cord is the desired length.

LK SAYS...

"Add this juicy woodland berry garland to an old basket to create a home for your yarn stash that's so sweet you could almost eat it!"

LK DESIGNER NANCY ATKINSON

- Row 1 (RS): k1, kfb, k1, kfb, k1. Seven sts
- Row 2 and all WS rows: p to end
- Row 3: k1, kfb in each st to end, 13 sts
- Row 5: as Row 3. 25 sts
- Row 7: k to end
- Row 9: k1, (k2tog) to end of row, 13 sts
- Row 11: as Row 9. Seven sts
- Row 13: k1, k2tog, k1, k2tog, k1. Five sts
- Using darning needle thread tail through rem sts and pull tight to close. Sew seam using mattress stitch, stuffing as you go. Close seam and roll Berry in palm of hand to shape. Weave in ends

Small berry

(MAKE NINE)

Using either yarn B, C or D

- cast on five sts
- P one row
- Row 1: k1, kfb, k1, kfb, k1. Seven sts
- Row 2 and all WS rows: p to end
- Row 3: k1, kfb in each st to end of row, 13 sts
- Row 5: k to end
- Row 7: k1, (k2tog) to end of row. Seven sts
- Row 9: k1, k2tog, k1, k2tog, k1. Five sts
- Finish and make up as for Large berry

Garland

- Using 3.25mm dps and yarn A, cast on five sts
- Work in 1-cord for 80cm (see Knit wise)
- Fasten off

To make up

- **Step one:** with RS of leaf facing up, pinch one end together and sew as shown

- **Step two:** sew PMC leaves together at pinched end combining large and small leaves for variety

- **Step three:** wind 1-cord Garland around handle of basket seven times and secure the ends

- **Step four:** attach pairs of leaves to garland, ensuring they are facing front of basket (if possible, use a needle and thread)

- **Step five:** take leaf with hole and attach berries in clusters of one, two and three. LK

Alei

Practice knitting intarsia and bobbles with our leaf cushion cover by **Sian Brown**

Our beautiful Alei cushion cover by Sian Brown knits up quickly in soft merino yarn and features a modern leaf motif.

Knit WISE

Working intarsia motifs

The leaves on our Alei cushion should be worked in intarsia. You will find it much easier if you work with small bobbins of green and white yarn rather than full balls as this helps to prevent them getting tangled. To join in a new colour, knit to the change in colour and then lay the new shade over the existing one, between the two needles with the tail to the left. Bring the new colour under and then over the existing colour and then knit with the new colour. Tighten this first stitch after knitting a few more by pulling gently on the yarn tail.

with four sts between **LK**

LK SAYS...

"Have fun personalising these socks. Why not knit several pairs with different motifs or go a little wild and have four motifs on each sock"

LK DESIGNER JANE BURNS

The jogless jog

When knitting in the round new colours are joined as normal but as you are working in a spiral, the last stitch is higher than the first, which leads to a step in the colour pattern. This is particularly noticeable in stripes. Knitting designer Meg Swansen has come up with a great way to avoid this step using a technique which she calls the Jogless Jog.

1 Join in a new colour and knit to the end of the round. Still using needle four as your RH needle, lift up the loop of the first stitch of the previous round and place it on the LH needle

2 Knit this loop together with the first stitch of the new round. This is now the last stitch of the round. Pick up your spare needle and continue knitting as normal

With this method the first stitch of the round is moved to the left each time which may create a slight diagonal ripple on your work. To prevent this being too noticeable, redistribute your stitches evenly after every three or four colour changes

KnitWISE

Adding the motifs

You can add the emoticon motifs (overleaf) in one of two ways. The easiest method to use is Swiss darning after you have finished knitting the socks, do this as follows:

● Thread a tapestry needle with appropriate colour yarn and insert it through fabric from back to front, bringing it out at bottom of 'V' of required st. Insert needle through two loops at base of st above, then take it back through entry point. This creates the effect of a knitted stitch. Rep until all required sts have been worked.

If you want to knit the motifs using intarsia follow these instructions:

● Work first rnd, changing colour and twisting yarns as normal. On second rnd k to point where you would change colour, sl motif sts pwise and twist two yarns tog. Turn work and p slipped sts using motif yarn. Turn work again and sl worked motif sts onto RH needle before cont with rnd. Cont this way, alt rnds as described.

Socks that Rock

Try your hand at short-row heels for some really fancy footwear **PART 2**

Last issue we demonstrated how to knit socks using the heel flap method, and this time we are moving on to the short-row technique. This gives the look of a mitred corner with a diagonal seam similar to that of shop-bought socks. The seam is also less visible when you use this method. So, how does it work? It's all to do with wrapping stitches and turning the knitting. This means the central stitches have more rows than the outer ones and it eventually curves into a heel-shape. Read on for our step-by-step guide to this technique.

The short-row method is used in our Emoticon socks on page 58

WRAPPING AND TURNING

When you reach the heel stage of your sock, you need to change from working in the round to working back and forth in rows. Your pattern should tell you over which needles the heel is worked. In our Emoticon socks (p58), you are told to knit across needles 1, 2 and 3 and the heel is worked over needles 4 and 1. You may want to transfer all the heel stitches onto one needle, and leave the remaining stitches on a holder. We have used a stitch marker to show where needle 1 begins, and worked the heel stitches in a different colour to highlight the first wrap.

Step 1: k to last st, bring the yarn to the front, slip the next st onto the RH needle

Step 2: return the yarn to the back of the work, and place the st back on the LH needle. Now turn your work. The yarn is now at the front, ready to p the next row, and the st has been wrapped.

Step 3: p to the last st, now wrap the st as before by taking the yarn to the opposite side of the work, slipping the st, returning the yarn to its original position, placing the st back on the LH needle, and turning the work.

Step 4: continue to wrap and turn the sts as shown in Steps 1-3. Your pattern will tell you when to stop. This will usually be when a third of the sts remain unwrapped in the middle, with the remaining two thirds on either side.

POINTS TO REMEMBER

- Short-row heels have a less obvious construction than heel flap socks, and the shape develops gradually. Although at first it looks like nothing is happening, persevere and you will suddenly see the fabric curving and turning into a heel.
- Try to make your work as neat as possible when wrapping and turning. It is easy to pull stitches when slipping them from needle to needle and make them larger. These will be noticeable on your heel and may make it look holey.
- Pay close attention when working. If you drop a wrapped stitch and it unravels, it can be difficult to successfully build it up again without undoing several rows.
- Pull the yarn as tightly as possible when joining the heel to the instep. You may wish to pick up an extra st between needles 1 and 2, and needles 3 and 4 to prevent a hole. This can simply be decreased on the next row and won't effect the finished sock.

PICKING UP WRAPPED STITCHES

When you have wrapped the correct number of stitches, you will see that the heel is beginning to take shape. The next step is to pick up the wraps you have made – this will make them invisible in the finished sock and is the second stage of completing the heel.

Step 1: sl 1, k to the first wrapped st, slip the st onto the RH needle and lift the wrap onto the LH needle

Step 2: return the original st to the LH needle, k the st together with the wrap, and turn. The wrap is now invisible.

Step 3: on the WS row, sl the first st, then p to the first wrapped st and insert the needle pwise through both the st and the wrap. P these two sts together.

REJOINING HEEL TO INSTEP

Step 1: continue to pick up the wraps using either of the methods shown, until you have one wrapped st remaining at each end. You are now ready to rejoin the heel. If you used a holder, return the sts to needles 2 and 3.

Step 2: sl 1 (if necessary), k across heel sts to wrap, k wrap together with st, k across needles 2 and 3. Using a fourth needle, k next st [the first st on needle 4] together with its wrap, then k to the end of the round. This is where the marker is placed between needles 4 and 1. The heel is now complete.

TRY SOMETHING DIFFERENT

Instead of slipping the first st of each row, some people prefer to pick up the wraps in a slightly different way.

A double-wrapped st

Step 1: k to the wrapped st (without slipping the first st) and k the st together with its wrap.

Step 2: wrap the next st, so it has two wraps, then turn.

Step 3: repeat Steps 1 and 2 on the WS row, p the sts rather than k.

Step 4: k to the double-wrapped st, k it together with both wraps, then wrap the next st, and turn. **LK**

Critter

This moss stitch scarf is simple yet fun

This striped scarf from *Knitting for Children: 35 Simple Knits Kids Will Love To Make* by Claire Montgomerie is great for intermediate knitters who feel confident combining knit and purl stitches. It can be embellished with felt, buttons and fabric to create an animal friend that will keep the maker warm this winter. Copy the snake or cat shown here or use your imagination to create your own design.

Alicia

Meet our gorgeous alpaca by **Val Pierce**

What better fibre to knit a baby alpaca in than soft baby alpaca yarn? This gorgeous design by Val Pierce features a fabulous hair-do, an embroidered dress and adorable knobbly knees. Alicia would make a beautiful gift for children or adults alike but if you intend to give her to a young child or baby, omit the button and ribbon and ensure the hair is stitched on very tightly.

KEEP KNITTING ON P70

Alpaca toy in alpaca yarn!

Knit WISE

Daisy, daisy

When embroidering the flowers onto Alicia's dress you are asked to use lazy daisy stitch. To do this, bring the needle and thread through to the front of the fabric between two stitches. Take it back through where it came out and make a straight stitch two knitted stitches to the left. Loop the working yarn under the tip of the needle and gently pull the stitch to form a loop. Next, make another chain stitch as above and take the needle over the end of the loop and back down where it last came out, making a small stitch to hold the loop in place.

k2tog

1 Insert the right needle into the front loops of next two stitches on the left needle. Then wrap the yarn anticlockwise around the tip and knit both stitches at the same time.

To make up

Sew in all ends. Join head seam, leaving a small opening to stuff, stuff firmly then close. Seam will run on underside of head. Using black DK embroider eyes, sew through head on each side as you do so, pulling yarn quite firmly to shape nose. Embroider eyelashes, nose and mouth. Join ears tog in pairs of one yarn A piece and one yarn C piece, pleat base of each ear to give shape. Sew ear to either side of head. Wind a bunch of yarn A around your fingers. Using tail of yarn thread through and around centre of bunch, draw up tightly. Wind yarn round and round centre a couple of times to hold it firm, secure with a few sts. Cut through doubled ends on either side. Fluff out and trim to form top knot. Sew to head between ears, bringing it slightly over eyes. With RS of work facing inside join body and leg pieces tog, leave neck edge open for stuffing. Turn RS out. Stuff body and legs, working stuffing into leg and 'knee' sections a little at a time. Shape as you go. Sew up neck edging. Sew seams on arms, leave top open for stuffing, seam will run down inside of arms. Stuff arms, then sew an arm to either side of body at shoulders. Sew head to body firmly. Take dress and sew sides seams tog. Join one shoulder seam. Using contrast yarns embroider little flowers all around base of skirt using

K2TOG DEMO
check out the video at
WWW.LETSKNIT.CO.UK

lazy daisy stitch (see Knit wise panel on previous page). Sew a flower button to centre front of bodice. Thread ribbon through fabric at waist of dress using a blunt-ended needle. Slip dress onto alpaca, sew other shoulder seam. Draw up ribbon at waist and tie in a bow. Trim ends if needed **LK**

LK SAYS...

"Alter Alicia's dress by using contrasting shades for the bodice and skirt or try adding coloured stripes around the bottom of the dress for a different look"

Jolly Roger

Young buccaneers will
look fearsome in our little
top by *Jane Burns*

RIB STITCH DEMO
check out the video at
WWW.LETSKNIT.CO.UK

Ahoy me hearties! Here be the pattern for our Jolly Roger sweater by Jane Burns. Knitted in a blend of nylon and acrylic, it is easy to care for and perfect for landlubbers and seafarers alike. It features stripes along the front and cuffs and skull motifs on the back and starboard sleeve.

Knit WISE

A pirate story

The skull and crossbones flag traditionally flown by pirates is known as the Jolly Roger and was flown by outlaws since at least the end of the 17th century. Variations on the traditional design included a red background and either a full skeleton design or an hourglass symbol in the middle.

Cherub, Chuckles & Sweetpea

Deck your baby out in this gorgeous matching set

This jacket, trousers and hat set by Susie Johns will do an excellent job of keeping your baby warm this winter. It's knitted in a classic combination of cream and pink but this could easily be adapted for boys. Perfect for babies learning to walk, our Chuckles trousers are designed to be fairly loose-fitting and feature a drawstring waist whilst the Cherub jacket is knitted in one piece with just the comfortable raglan sleeves to sew on after. Finish the look with our simple Sweetpea hat.

Knit WISE

Stitch holder alternatives

If you don't have a stitch holder to hand, you can use a piece of waste yarn or a large safety pin. A double pointed needle works equally well, wrap elastic bands around either end to prevent your stitches slipping off.

KEEP KNITTING ON P78

Sweetpea

Flowers

(make five)

Using 3.25mm needles and yarn B cast on four sts
 □ Cast off two sts, return one st to LH needle, * cast on three sts, cast off two sts, return st to LH needle, rep from * six times more.
 Nine sts

□ Row 1: k1tbl to end
 Cut yarn, leaving a long tail, and thread through rem sts. Pull up tail of yarn to gather flower, then stitch bases of first and last petals tog. Using matching sewing thread, sew press fasteners, evenly spaced, on front bands. Overlap right front band on top of left front band for a girl and the other way round for a boy. Sew flowers to right front, on top of press fasteners

CHUCKLES PATTERN

Left leg

Using 3.25mm needles and yarn A cast on 48 (52, 56) sts

Knit Knowledge

About the Yarn

Patons 100% Cotton is a shiny, mercerised cotton which is ideal for crochet projects. It has brilliant stitch definition and, when using a small hook, creates a sturdy fabric that holds its shape well. All 27 shades come in both 4ply and DK weights.

Measurements & Sizes

Kate: 26cm wide x 15cm deep (with flap closed)

Strap: 100cm

Flower: 11cm diameter

Knit Kit

Yarn: (A) Patons 100% Cotton DK, shade 2701 Lilac (B) Patons 100% Cotton 4ply, shade 1701 Lilac, one 100g ball of each

Crochet hook: 2.5mm

Lining fabric:

Matching sewing thread

Beads, two small

Brooch pin

Small circle of felt

TENSION SQUARE

10cm x 10cm

htr patt

2.5mm hook

Need an alternative yarn?

Wendy Luxury Supreme Cotton is also available in both 4ply and DK. There are ten shades available in the 4ply and these all come in DK as well. There are also 33 additional colourways in DK if you wanted to make a striped or multicoloured version.

FOR ABBREVIATIONS SEE PAGE 86

Katherine

Practice your crochet stitches with **Virginia Coppins'** lovely lilac bag

With its pretty scallop-edged flap and detachable flower corsage this cute crochet bag is perfect for a stylish soiree. The strap is fastened with beads and can be removed if you would prefer a clutch bag. Kate is also a great opportunity for beginners to crochet to practice all their newly learned stitches. The pattern is made up of half trebles worked into the back loops for a ridged effect, but it also uses double, treble and double treble crochet stitches too.

Crochet CLEVER

Joining a new ball of yarn

When introducing a new ball of yarn in crochet, work the last stitch in the old colour until the last step in the instruction. Lay the new yarn over the hook and pull it through the remaining loops to complete the stitch. In this case you are joining the yarn in a htr. Work it as follows:

- Using yarn A, yoh, insert hook into st, yoh, draw up a loop
- Using yarn B, lay the yarn over the hook, pull through all three loops

htr row, turn

- Next row: 2ch, 1htr in each htr
- Fasten off
- Rep edging on other side working down htr rows only
- Fasten off

To make up

Weave in loose ends. Cut and sew fabric to make lining for bag. Do not line flap. Stitch lining to bag. Fold bag in half to base of flap and sew side seams

Strap

Using yarn A make 260ch
 □ Row 1: 1htr in third ch from hook, 1htr in each ch to end, * 6ch, sl st back in first of 6ch forming a loop
 □ Fasten off
 □ Rejoin yarn and rep from * at other end of strap
 □ Fasten off
 Sew beads to bag on outside edge, attach loops over beads to secure strap

Flower

Using yarn B make 100ch
 □ Row 1: 1dc in third ch from hook, 1dc in each ch to end, turn
 □ Row 2: 3ch (counts as one tr), 1tr in each dc to end, turn
 □ Row 3: 4ch (counts as one dtr), 3dtr in each tr to end, turn
 □ Row 4: 4ch (counts as one dtr), 2dtr in each dtr to end
 □ Fasten off
 Twist to form into flower shape and sew to secure. Stitch brooch pin to felt, making sure pin is near edge of felt to help the flower hang nicely. Sew to back of flower. Pin onto front of bag flap **UK**

Pretty make for
crochet newbies

half treble (htr)

The half treble is very similar to the double crochet, except for the extra 'yarn round hook' (yoh) before each stitch is begun.

1 (You will need a turning ch of 2 sts.)
 Yarn over the hook and insert through the st

2 Yarn over the hook and draw back through the work. There will be three loops of yarn on the hook.

3 Yarn over the hook and draw through all three loops.

Turn the tables

Keep these pages handy to guide you on your way

UK	US	GAUGE OVER 10CM	AVERAGE NEEDLE SIZE

Essential info

Everything you need to start knitting now!

Tension *headache*

The tension square is a rather dull, yet essential part of the knitting process. Usually made up of a 10cm square of the stitch pattern used in your project, it demonstrates your gauge (the amount of stitches and rows per cm that your knitting equates to). Getting your gauge correct to the pattern's specifications is crucial to creating well-fitted garments.

■ If you knit to a larger gauge than the pattern calls for (for example, if the tension is 24 stitches to 10cm but your 24 knitted stitches measure 11cm) this will be multiplied across your garment and the finished item will be bigger than it should be – and vice versa if your square comes up smaller.

■ To create your tension square, cast on the number of stitches specified plus six more, using the yarn and needles recommended in your pattern. Make sure the stitches are not too tight or too loose. Knit until your work measures 14cm long using stocking stitch unless another stitch is specified. Knit the first and last two stitches on every row to prevent curling, then cast off. Now comes the important part – measuring your stitches.

■ On the right side each stitch is signified by one complete 'V' shape in your work. Lay a ruler horizontally and use marker pins to indicate 10cm and count the stitches, including half stitches. Do the same with the rows. Now compare this to the recommended tension given in the pattern. If there are too many stitches, your gauge is too tight – switch to a larger set of needles and try again. Similarly, if there are too few stitches, your gauge is too loose – try with smaller size needles.

■ Laundering your finished swatch in the same way you would your finished item is also a good idea – it will demonstrate what will happen to it once it is washed. Will it shrink? Will the colours bleed? Will it soften? This shows how best to care for your items once they are completed.

SUBSTITUTION

Just because we've given the names of the yarn we used to make our projects, doesn't mean you have to use the same – you can always replace it for one you favour more, or one that is more in your price range. However, yarn substituting can be a tricky business, so follow the handy hints below to ensure you end up with the gorgeous garment you desire.

■ Make sure that you can knit your potential stand-in yarn to the gauge specified in the pattern. It's no good trying to substitute a lace weight yarn for your favourite chunky – it simply won't knit up to the same gauge and as such, will be completely the wrong size when finished. So remember – always knit a tension square!

■ The above considered, potential substitutes can be found in differing yarn weights – the needles you use can be

increased or decreased to achieve varying gauges. However, it's always easier to stick to a similar weight:

■ Make sure that the yarn you decide to use has a similar feel to the one given in the pattern – for example, if the project is a soft, silky cardigan, it's probably best not to use a scratchy, coarse acrylic.

■ Check that the yarn you wish to use isn't discontinued – or, if it is, ensure you buy enough to create the whole project. There's nothing worse than getting towards the end of your pattern, only to discover that you don't have enough materials to finish it.

■ It seems like an obvious point, but if your project will need to be washed often, ensure that the substitute yarn is water-safe (also known as 'supervash' or 'easycare'). If not, your project will felt and shrink beyond recognition.

Know your *yarn*

The ball band holds vital info about the way the yarn needs to be cared for, here's our guide to translating it:

1 Yarn identity

This is where you'll find the name and brand.

2 Fibre content

Understanding what the yarn is made up of will also be key to knowing how best to care for it. Yarns can be made from a range of different types of fibres, some are man-made and others are natural. The more common natural fibres are cotton, wool and silk, with mohair, angora and alpaca gaining in popularity. Man-made fibres include acrylic, rayon and nylon.

3 Colour details

The colour details are represented in both a shade name or code and a dye lot number. When working projects be sure to select the same dye lot number, to ensure that the colour is even throughout the piece. This will also indicate if it is hand dyed and whether it should be washed separately.

William's Wonder Wool

50% Merino Wool / 50% Mohair

Net Weight: 50g
Approx: 65m
Gauge: 5 stitches per inch
Needle Size: 4.5mm

Colour: Flamingo Pink
Dye Lot: W42GFTE

Spun and dyed by
William's Sheep Farm
Suffolk, England

4 Washing directions

This will tell you how you to launder the finished item – whether it should be hand or machine washed. If you are using a combination of yarns to check the care instructions for all of them.

A garment knitted from our sample yarn must be hand washed, cannot be bleached and should be dried flat.

video demos at
www.letsknit.co.uk

Making a slip knot

1 Holding the yarn under your left thumb, wrap it twice around your left index and middle fingers, with the second loop closer to the base of the fingers. With the backs of the fingers uppermost, insert the tip of the needle beneath the first loop and over the second, and pull the second loop under the first.

2 Remove the two fingers and gently tug on both ends of yarn to tighten the slip knot around the needle

Cast on

Cast on is the basis of all knitting. There are several different ways to do it, but the two-needle method shown below is often considered the simplest to master.

1 Create a slipknot on your left hand needle. Pulling it taut (but not too tight), carefully insert the right needle into the knot from front to back, passing under the left hand needle. Wrap the ball end of yarn anticlockwise around the point of the right needle

2 Pull the loop that forms back through the original stitch (knot) and insert the tip of the left hand needle into the new stitch from underneath to transfer it from the right hand to the left hand needle. There should now be two stitches on the left hand needle.

3 Repeat the above steps, knitting into the top stitch on the left needle and returning the new stitches from the right to the left needle until you have the required number of stitches.

Knit stitch

Similar to the cast on method (above), the knit stitch is the staple of all knitting (hence the name). Shown below is the English knitting style.

1 Once cast on, insert the tip of the right needle upwards and from front to back into the top stitch on the left needle. The right hand needle should sit behind the left hand one. Wrap the ball end of yarn anticlockwise around the tip of the right hand needle

2 Using the right hand needle, pull a loop of the wrapped yarn through the original stitch to create a new one on the right hand needle.

3 Slide the original stitch off the left hand needle. Repeat from step one. You are now knitting! The knit stitch can be combined with other stitches to create hundreds of different stitch patterns.

Cable cast on

1 Create a slipknot on your left hand needle, pulling it taut (but not too tight). Carefully insert the right needle into the knot from front to back, passing under the left hand needle. Wrap the ball end of yarn anticlockwise around the point of the right needle.

2 Pull the loop that forms back through the original stitch (knot) and insert the tip of the left hand needle into the new stitch from underneath to transfer it from the right hand to the left hand needle. There should now be two stitches on the left hand needle.

3 Insert the right needle between the two stitches on the left needle and wrap the yarn around the needle tip anticlockwise. Draw this loop through to make a stitch and slip it up and onto the left needle. Repeat this creating a new loop behind the last stitch and passing it left needle in front of the previous one.

Purl stitch

1 With the ball end of the yarn at the front (toward you) insert the tip of the right hand needle into the front loop of the first stitch from the right to left and with the right hand needle in front of the left hand needle. Wrap the ball end of the yarn anticlockwise around the right hand needle.

2 Draw the needle backwards and upwards, forming a new stitch on the right hand needle.

3 Once the new stitch has been formed on the right hand needle you can let the loop from the left needle slide off the end. Repeat until all the stitches have been purlled and you have complete the row.

Graft the toe

Kitchener Stitch is the method used to achieve this. It is worked as follows:

SET UP: Before starting you need to prepare the stitches on the needle. Hold the two needles with the remaining stitches parallel. The loose end of yarn should be coming from the back needle and lying to the right of the work.

1 Thread yarn end onto a tapestry needle and insert it purwise into the first stitch on the needle closest to you. Pull the yarn through but leave the stitch on the needle.

2 Insert the tapestry needle knitwise into the first stitch on the back needle and pull the yarn through, leaving the stitch on the needle.

3 Having set up as shown in steps 1 and 2, repeat steps 3 and 4 until all stitches have been grafted. Insert the tapestry needle knitwise into the first stitch on the front needle and slide the stitch off. Before you pull the yarn through this stitch insert the tapestry needle into the next stitch on the front needle purwise and pull the yarn through, this time leaving the stitch on the needle.

4 Insert the tapestry needle purwise into the first stitch on the back needle and slide it off. Before pulling the yarn through this stitch, insert the tapestry needle into the next stitch on the back needle knitwise and pull the yarn through, leaving the stitch on the needle.

Final stages

Finish your project like a pro with these handy guides

On the blocks

Blocking is the process of stretching and shaping your finished items to create the correct dimensions from the pattern. It is also really useful for ensuring that pieces to be joined fit well together. There are a few different ways to achieve this, so check the information on the yarn ball band and pick the most suitable option.

Wet blocking

Dampen the pieces so that they are wet through and gently push out excess water. Spread the sections out on a towel to air dry. Use a tape measure to ensure each part is the correct dimensions to that of the pattern and pin into the required shape.

For a more gentle option, try pinning it in place and lightly spritzing with a water spray. This is ideal for really delicate materials like cashmere which can be damaged by too much water.

Steam iron blocking

Place a dampened cloth on top of the separate sections of your knitting. Work gently over this with a very hot iron, be careful not to let the iron come into direct contact with the knitting as it can damage the work. Continue to press the work until the cloth is dry and the knitted fibres have been loosened by the steam. Then, pin the pieces to the desired shape and measurements and leave to set.

At a loose end?

Follow these steps for sewing in any loose ends:
1 Thread the yarn onto a tapestry needle and work with the WS of the knit facing upwards.
2 Insert the needle under the loop of each stitch, and draw it through. Work it up and down the loops of the stitches for each.
3 Cut the yarn close to the fabric.
4 If you are weaving in a colour change, be sure to work the loose end into the corresponding colour to prevent it from being visible at the front of the work.

Beginning a seam

1 With the pieces to be joined placed next to each other with right side upwards, thread the tapestry needle and push it through the fabric after the first stitch, moving the needle from front to back. Then, take the needle and push it through after the first stitch on the second piece, moving the needle from the back of the work to the front. The yarn will form a figure 8. Tug gently to secure.

Back stitch

1 Pin the pieces to be joined, with the right sides together. Thread the loose end of yarn onto a tapestry needle. Start by stitching the two outer edges together, then bring the needle through the two pieces 1cm from back to front ahead of the previous stitch.

2 Push the needle back through at the position where the yarn emerged from the previous stitch. Return it to the front of the work, approx 1cm ahead of the stitch just made. Repeat this until the whole join is complete, working in a straight line.

Mattress stitch

1 With the two pieces to be joined lying next to each other, hook the horizontal bar of the first stitch with the tapestry needle. Move to the other piece and hook the first horizontal bar of the stitch on that side.
2 Repeat this moving from one piece to the next and pulling the yarn to tighten the join.

Joining cast off edges

1 Lay the two pieces to be joined right side up and with the cast off edges touching. Thread a tapestry needle with the loose yarn and push this through the centre of the first stitch, and then in and out through the centres of two stitches on the opposite side.

2 Take the needle over to the first side and insert where it previously exited, bringing it out through the centre of the next stitch. Repeat this process alternating sides and stitching single stitches until the pieces are joined.
